

VIRGINIA REGISTER OF REGULATIONS

CREATING & EDITING A PROJECT

Any active user can create a project in RIS. Only an individual added as a "Project Owner" or "Project Contributor" can edit the project.

A. Creating.

1. After logging into RIS, open the New Project tab and complete highlighted fields.

2. Town Hall agencies, click dropdown arrow to link the project to a Town Hall action. Non-Town Hall agencies do not have this field.

3. If the project is an exempt action, add federal or state exemption to the APA.

4. Click Save. The project will display in the agency project queue under Projects tab.

Project ID	Description	Stage	Chapter	Effective Date	Owner	Actions
6822	Demonstration Project	Proposed			A Bloomsburg	Transmittal
6820	Conforming to Statutory Changes 2021 Session	Exempt Final			A Bloomsburg	Transmittal
6807	Forms Only Project for 1VAC7-10	Final			A Bloomsburg	Transmittal

5. Click on the Project ID to open the project.

B. Editing.

1. Under Sections subtab, click Amend/Repeal or Add New to put sections into project.

The screenshot shows the RIS system interface. At the top, there is a navigation bar with 'RIS' on the left and 'Dashboard', 'New Project', 'Projects', 'Register', and 'Resources' on the right. Below the navigation bar, the page title is 'Title 1 / Agency 7 / Virginia Code Commission'. The main content area shows 'Project 6822' and 'Demonstration Project'. There are tabs for 'Sections', 'Documents', 'History', 'Comments', and 'Overview'. Below the tabs, there are buttons for 'Amend/Repeal' and 'Add New'. The 'Amend/Repeal' button is circled in red. Below the buttons, there is a table with columns 'Sections', 'Description', and 'Actions'. The table is empty, and a message 'No rows found' is displayed. At the bottom, there is a pagination bar showing 'Page 1 of 1' and '50 rows'.

6. To select sections from an existing chapter to **amend**: put bullseye in Amend, use the dropdown arrow to display all available chapters and choose one, mark one or many sections, click Save.

The screenshot shows the 'Amend or Repeal' dialog box in the RIS system. The 'Amend' radio button is selected. The 'Chapter Title' dropdown menu is open, showing a list of sections. The sections listed are: 'Section 10 - Definitions', 'Section 20 - Computation of time', 'Section 30 - General rules of construction', 'Section 40 - Form and style of regulations', 'Section 50 - Method of filing', and 'Section 60 - Internet address; contact information; consequential changes'. The 'Section 10 - Definitions' section is highlighted with a blue background. A yellow highlight is also present on the dropdown arrow. At the bottom right of the dialog box, there is a 'Save' button.

To select sections from an existing chapter to **repeal**: put bullseye in Repeal and follow same steps.

The screenshot shows the 'Amend or Repeal' dialog box in the RIS system. The 'Repeal' radio button is selected. The 'Chapter Title' dropdown menu is open, showing a list of sections. The sections listed are: 'Section 10 - Definitions', 'Section 20 - Computation of time', 'Section 30 - General rules of construction', 'Section 40 - Form and style of regulations', 'Section 50 - Method of filing', and 'Section 60 - Internet address; contact information; consequential changes'. The 'Section 10 - Definitions' section is highlighted with a blue background. At the bottom right of the dialog box, there is a 'Save' button. Below the dialog box, there is a table with columns 'Sections', 'Description', and 'Actions'. The table contains one row: '1VAC7-10-10 Definitions.' with an 'Amend' button in the 'Actions' column. At the bottom, there is a pagination bar showing 'Page 1 of 1' and '50 rows'.

NOTE:

a. Section 10 - Definitions, which has been pulled into the project to be amended (and displays under Sections list at bottom of screenshot), is grayed out, unavailable for amend or repeal again.

b. When Repeal is selected, the system automatically strikes all appropriate section text, catchline, and statutory authority. Always use Repeal to repeal a section.
