THE VIRGINIA REGISTER OF REGULATIONS is an official state publication issued every other week throughout the year. Indexes are published quarterly, and are cumulative for the year. The Virginia Register has several functions. The new and amended sections of regulations, both as proposed and as finally adopted, are required by law to be published in the Virginia Register. In addition, the Virginia Register is a source of other information about state government, including petitions for rulemaking, emergency regulations, executive orders issued by the Governor, and notices of public hearings on regulations.

ADOPTION, AMENDMENT, AND REPEAL OF REGULATIONS

An agency wishing to adopt, amend, or repeal regulations must first publish in the Virginia Register a notice of intended regulatory action; a basis, purpose, substance and issues statement; an economic impact analysis prepared by the Department of Planning and Budget; the agency’s response to the economic impact analysis; a summary; a notice giving the public an opportunity to comment on the proposal; and the text of the proposed regulation.

Following publication of the proposal in the Virginia Register, the promulgating agency receives public comments for a minimum of 60 days. The Governor reviews the proposed regulation to determine if it is necessary to protect the public health, safety and welfare, and if it is clearly written and easily understandable. If the Governor chooses to comment on the proposed regulation, his comments must be transmitted to the agency and the Registrar no later than 15 days following the completion of the 60-day public comment period. The Governor’s comments, if any, will be published in the Virginia Register. Not less than 15 days following the completion of the 60-day public comment period, the agency may adopt the proposed regulation.

The Joint Commission on Administrative Rules (JCAR) or the appropriate standing committee of each house of the General Assembly may meet during the promulgation or final adoption process and file an objection with the Registrar and the promulgating agency. The objection will be published in the Virginia Register. Within 21 days after receipt by the agency of a legislative objection, the agency shall file a response with the Registrar, the objecting legislative body, and the Governor.

When final action is taken, the agency again publishes the text of the regulation as adopted, highlighting all changes made to the proposed regulation and explaining any substantial changes made since publication of the proposal. A 30-day final adoption period begins upon final publication in the Virginia Register.

The Governor may review the final regulation during this time and, if he objects, forward his objection to the Registrar and the agency. In addition to or in lieu of filing a formal objection, the Governor may suspend the effective date of a portion or all of a regulation until the end of the next regular General Assembly session by issuing a directive to the Registrar. The Governor’s objection or suspension of the regulation, or both, will be published in the Virginia Register. If the Governor finds that changes made to the proposed regulation have substantial impact, he may require the agency to provide an additional 30-day public comment period on the changes. Notice of the additional public comment period required by the Governor will be published in the Virginia Register.

The agency shall suspend the regulatory process for 30 days when it receives requests from 25 or more individuals to solicit additional public comment, unless the agency determines that the changes have minor or inconsequential impact.

A regulation becomes effective at the conclusion of the 30-day final adoption period, or at any other later date specified by the promulgating agency, unless the Governor finds that changes made to the proposed regulation have substantial impact. If the Governor finds that such changes have been made, in which event he may require the agency to provide an additional 30-day public comment period, unless withdrawn, becomes effective on the date specified, which shall be after the expiration of the period for which the Governor has provided for additional public comment; (iii) the Governor and the General Assembly exercise their authority to suspend the effective date of a regulation until the end of the next regular legislative session; or (iv) the agency suspends the regulatory process, in which event the regulation, unless withdrawn, becomes effective on the date specified, which shall be after the expiration of the 30-day public comment period and no earlier than 15 days from publication of the readopted action.

A regulatory action may be withdrawn by the promulgating agency at any time before the regulation becomes final.

FAST-TRACK RULEMAKING PROCESS

Section 2.2-4012.1 of the Code of Virginia provides an exemption from certain provisions of the Administrative Process Act for agency regulations deemed by the Governor to be noncontroversial. To use this process, Governor’s concurrence is required and advance notice must be provided to certain legislative committees. Fast-track regulations will become effective on the date noted in the regulatory action if no objections to using the process are filed in accordance with § 2.2-4012.1.

EMERGENCY REGULATIONS

Pursuant to § 2.2-4011 of the Code of Virginia, an agency, upon consultation with the Attorney General, and at the discretion of the Governor, may adopt emergency regulations that are necessitated by an emergency situation. An agency may also adopt an emergency regulation when Virginia statutory law or the appropriation act or federal law or federal regulation requires that a regulation be effective in 280 days or less from its enactment. The emergency regulation becomes operative upon its adoption and filing with the Registrar of Regulations, unless a later date is specified. Emergency regulations are limited to no more than 18 months in duration; however, may be extended for six months under certain circumstances as provided for in § 2.2-4011 D. Emergency regulations are published as soon as possible in the Register.

During the time the emergency status is in effect, the agency may proceed with the adoption of permanent regulations through the usual procedures. To begin promulgating the replacement regulation, the agency must (i) file the Notice of Intended Regulatory Action with the Registrar within 60 days of the effective date of the emergency regulation and (ii) file the proposed regulation with the Registrar within 180 days of the effective date of the emergency regulation. If the agency chooses not to adopt the regulations, the emergency status ends when the prescribed time limit expires.

STATEMENT

The foregoing constitutes a generalized statement of the procedures to be followed. For specific statutory language, it is suggested that Article 2 (§ 2.2-4006 et seq.) of Chapter 40 of Title 2.2 of the Code of Virginia be examined carefully.

TITLE 2. AGRICULTURE

DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

Initial Agency Notice

Title of Regulation: 2VAC5-110. Rules and Regulations Pertaining to a Pound or Enclosure to Be Maintained by Each County or City.

Statutory Authority: § 3.2-6546 of the Code of Virginia.

Name of Petitioner: No Kill Advocacy Center.

Nature of Petitioner's Request: The petitioner is requesting that the Board of Agriculture and Consumer Services amend the regulation to require that public and private animal shelters keep certain records for five years and make those records available for inspection by the board and the public. The petitioner requests that the regulation be amended to require that public and private animal shelters record "when and how each animal was taken in (stray, owner surrendered, taken in at the shelter, picked up in the field, etc.), why the animal was taken in (e.g., the owner did not want) and include a signed surrender form for anyone turning in an animal, the condition of each animal on intake, whether the animal had indicia of ownership and what attempts were made to reunite the animal with the owner, the kinds of care and treatment each animal received, including veterinary treatment, the disposition of each animal, and if the animal was killed, when and why the animal was killed."

Agency Plan for Disposition of Request: The Board of Agriculture and Consumer Services will consider this request at its next scheduled meeting following the public comment period. This meeting will occur on March 19, 2015.

Public Comment Deadline: March 16, 2015.

Agency Contact: Dr. Carolynn Bissett, Acting Program Manager, Animal Care and Emergency Response, Department of Agriculture and Consumer Services, P.O. Box 1163, Richmond, VA 23218, telephone (804) 786-2483, or email carolynn.bissett@vdacs.virginia.gov.

TITLE 9. ENVIRONMENT
STATE WATER CONTROL BOARD
Notice of Intended Regulatory Action
Notice is hereby given in accordance with § 2.2-4007.01 of the Code of Virginia that the State Water Control Board intends to consider amending 9VAC25-820, General Virginia Pollutant Discharge Elimination System (VPDES) Watershed Permit Regulation for Total Nitrogen and Total Phosphorus Discharges and Nutrient Trading in the Chesapeake Bay Watershed in Virginia. The purpose of the proposed action is to amend and reissue the existing general permit that expires on December 31, 2016. The general permit governs facilities holding individual VPDES permits that discharge or propose to discharge total nitrogen or total phosphorus to the Chesapeake Bay or its tributaries. The facilities are authorized to discharge to surface waters and exchange credits for total nitrogen, total phosphorus, or both.

The agency is seeking comments on this regulatory action, including but not limited to (i) ideas to be considered in the development of this proposal, (ii) the costs and benefits of the alternatives stated in the agency background document or other alternatives, (iii) potential impacts of the regulation, and (iv) impacts of the regulation on farm and forest land preservation. The agency is also seeking information on impacts on small businesses as defined in § 2.2-4007.1 of the Code of Virginia. Information may include projected reporting, recordkeeping and other administrative costs, the probable effect of the regulation on affected small businesses, and the description of less intrusive or costly alternatives for achieving the purpose of the regulation.

In addition, pursuant to Executive Order 17 (2014) and § 2.2-4007.1 of the Code of Virginia, the agency is conducting a periodic review and small business impact review of this regulation to determine whether this regulation should be terminated, amended, or retained in its current form. The agency does not intend to hold a public hearing on the proposed action after publication in the Virginia Register.

Statutory Authority: § 62.1-44.15 of the Code of Virginia.
Public Comment Deadline: March 25, 2015.
Agency Contact: Allan Brockenbrough, Department of Environmental Quality, 629 East Main Street, P.O. Box 1105, Richmond, VA 23218, telephone (804) 698-4147, FAX (804) 698-4032, or email allan.brockenbrough@deq.virginia.gov.

TITLE 12. HEALTH
DEPARTMENT OF MEDICAL ASSISTANCE SERVICES
Notice of Intended Regulatory Action
Notice is hereby given in accordance with § 2.2-4007.01 of the Code of Virginia that the Board of Medical Assistance Services intends to consider amending 12VAC30-50, Amount, Duration, and Scope of Medical and Remedial Care Services and 12VAC30-141, Family Access to Medical Insurance Security Plan. The purpose of the proposed action is provide for the coverage of existing dental services, with the exception of orthodontia, for pregnant women who are enrolled in Medicaid or FAMIS MOMS.

The agency does not intend to hold a public hearing on the proposed action after publication in the Virginia Register.

Statutory Authority: § 32.1-325 of the Code of Virginia; 42 USC § 1396 et seq.
Public Comment Deadline: March 25, 2015.
Agency Contact: Victoria Simmons, Regulatory Coordinator, Department of Medical Assistance Services, Policy Division, 600 East Broad Street, Suite 1300, Richmond, VA 23219, telephone (804) 371-6043, FAX (804) 786-1680, TTY (800) 343-0634, or email victoria.simmons@dmas.virginia.gov.
This action qualifies as an emergency regulation pursuant to § 2.2-4011 A of the Code of Virginia because the Department of Medical Assistance Services (DMAS) determined that these changes are necessitated by an emergency situation, consulted with the Attorney General, and received approval from the Governor to promulgate emergency regulations to address the situation.

Virginia has 45,000 pregnant women enrolled in Medicaid and FAMIS MOMS. Neither of these programs currently provides comprehensive dental care for adults. As a result, these women risk having dental health issues go undiagnosed and untreated, needlessly putting their pregnancies and unborn babies in jeopardy. A pregnant woman's oral health is linked to her delivery and her baby's health. In the absence of effective treatment, dental issues can become medical issues, leading to significantly greater costs from pre-term deliveries and high neonatal costs.

Currently, the Department of Medical Assistance Services only covers dental services for children as a required element of the Early and Periodic Screening, Diagnosis, and Treatment Program and emergency dental care with the associated diagnostic tests for adults. This emergency regulatory action adds pregnant women to the list of individuals eligible to receive dental services. With the exception of not covering orthodontia for pregnant women, this action makes no other changes in the amount, duration, or scope of currently covered dental services.

Services for pregnant women include the following: diagnostic x-rays, exams; preventive cleanings; restorative fillings; endodontics (root canals); periodontics (gum related treatment); prosthodontics both removable and fixed (crowns, bridges, partials, and dentures); oral surgery (extractions and other oral surgeries); and adjunctive general services (all covered services that do not fall into specific professional categories). The appropriateness of particular services for an individual pregnant woman will be determined by the dental provider based on the term of the woman's pregnancy.

The section of the State Plan for Medical Assistance that is affected by this action is the Amount, Duration, and Scope of Services for the Categorically Needy and the Medically Needy: Dental Services (12VAC30-50-190). The section of the FAMIS MOMS regulations that is being amended is Benefits (12VAC30-141-820).

12VAC30-50-190. Dental services.

A. Dental services are limited to recipients under shall be covered for individuals younger than 21 years of age in fulfillment of the treatment requirements under the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) Program and defined as routine diagnostic, preventive, or restorative procedures necessary for oral health provided by or under the direct supervision of a dentist in accordance with the State Dental Practice Act.

B. Certain dental services, as described in the agency's Office Reference Manual (Smiles for Children, copyright 2005) (March 13, 2014), prepared by DMAS' dental benefits administrator, require preauthorization or prepayment review by the state agency or its designee.

C. Dental services, determined by the dental provider to be appropriate for a woman during the term of her pregnancy, shall be provided to a Medicaid-enrolled pregnant woman. The dental services that shall be covered are (i) diagnostic x-rays and exams; (ii) preventive cleanings; (iii) restorative fillings; (iv) endodontics (root canals); (v) periodontics (gum related treatments); (vi) prosthodontics, both removable and fixed (crowns, bridges, partials, and dentures); (vii) oral surgery (tooth extractions and other oral surgeries); and (viii) adjunctive general services (all covered services that do not fall into specific professional categories). These services require prepayment review by the state agency or its designee.
The dental services covered for individuals younger than 21 years of age and for Medicaid-enrolled pregnant women, the state agency may place appropriate limits on a service based on medical necessity, for utilization control, or both. Examples of service limitations are: examinations, prophylaxis, fluoride treatment (once/six months); space maintenance appliances; bitewing x-ray—two films (once/12 months); routine amalgam and composite restorations (once/three years); dentures (once/five years); extractions, orthodontics, tooth guidance appliances, permanent crowns and bridges, endodontics, patient education and sealants (once).

Limited oral surgery procedures, as defined and covered under Title XVIII (Medicare), are covered for all recipients, and require preauthorization or prepayment review by the state agency or its designee as described in the agency's Office Reference Manual located on the DMAS website at:

V.A.R. Doc. No. R15-4215; Filed January 28, 2015, 11:18 a.m.
EXECUTIVE ORDER NUMBER 37 (2015)

Directing the Commissioner of the Department of Motor Vehicles to Extend the Validity of Expiring Licenses and Registrations

Importance of the Issue

On January 30, 2015, an internal power disruption temporarily interrupted the electronic services provided by the Commonwealth's data center. This disruption greatly impacted the ability of many Virginians to renew their driver's licenses and vehicle registrations. On January 31, 2015, I verbally directed the Commissioner of the Department of Motor Vehicles to extend the validity period for expiring licenses and registrations for a period of one week. This unforeseen disruption of services places citizens at risk of suffering fines and other costs resulting from their inability to timely renew their mandatory credentials.

Therefore, by virtue of the authority vested in me as Governor, and subject always to my continuing and ultimate authority and responsibility to act in such matters, I hereby confirm, ratify, and memorialize in writing that verbal directive issued on January 31, 2015, whereby it was determined that the Department of Motor Vehicles suffered a disruption in service that prevented the Department from processing applications for renewal of driver's licenses and vehicle registrations.

In order to prevent any further hardship to the citizens of Virginia, and in accordance with my authority contained in §§ 46.2-330, 46.2-345, 46.2-646 A, and 44-146.24 of the Code of Virginia, I hereby order the following measures:

• I hereby direct the Commissioner of the Department of Motor Vehicles, and such other executive branch agencies as deem appropriate in their discretion, to extend the validity period of Virginia driver's licenses, special identification cards, permits, vehicle registration and other licenses or credentials issued by the Commonwealth that expire during the period from January 31, 2015, through February 6, 2015 until February 7, 2015. I request that the Department of Motor Vehicles and such other executive branch agencies as deemed appropriate in their discretion, to waive any late fees associated with January registrations, licenses, permits, or credential renewals that are submitted on or before February 7, 2015. I further request that all appropriate executive branch agencies exercise their discretion to the extent allowed by law to address any other pending deadlines or expirations affected by or attributable to the January 30th internal power interruption at the Commonwealth's data center.

Effective Date of this Executive Order

This Executive Order shall be effective retroactively from January 30, 2015, and shall remain in full force and effect until February 7, 2015.

Given under my hand and under the Seal of the Commonwealth of Virginia, this 3rd day of February, 2015.

/s/ Terence R. McAuliffe
Governor
GUIDANCE DOCUMENTS

Sections 2.2-4008 and 2.2-4103 of the Code of Virginia require annual publication in the Virginia Register of guidance document lists from state agencies covered by the Administrative Process Act and the Virginia Register Act. A guidance document is defined as "...any document developed by a state agency or staff that provides information or guidance of general applicability to the staff or public to interpret or implement statutes or the agency's rules or regulations." Agencies are required to maintain a complete, current list of all guidance documents and make the full text of such documents available to the public.

DEPARTMENT OF TAXATION

Copies of forms may be obtained from the department's website at http://www.tax.virginia.gov or viewed during regular work days from 8:30 a.m. until 4:30 p.m. in the Office of Customer Relations, Department of Taxation, 1957 Westmoreland Street, Richmond, VA 23230. These forms are used to implement the return filing requirements for the taxes administered by the Virginia Department of Taxation. Primarily, these return filing requirements are found in Title 58.1 of the Code of Virginia. The Department of Taxation is also required to collect certain agricultural commodity taxes found under Title 3.1 of the Code of Virginia. Copies may be obtained by contacting the Forms Request Unit at the...
Department of Taxation, P.O. Box 1317, Richmond, VA 23218-1317, telephone (804) 440-2541.

**Virginia Tax Bulletins:**

Virginia Tax Bulletins provide the department's interpretation of Title 58.1 of the Code of Virginia. Copies may be obtained free of charge by contacting the Office of Tax Policy, Appeals and Rulings, Department of Taxation, P.O. Box 27203, Richmond, VA 23261-7203, telephone (804) 371-6042, or FAX (804) 371-7179. Each tax bulletin is assigned a number (e.g., VTB 04-1) and, beginning in 2004, is also published as a "public document" and assigned a second number (e.g., PD 04-7). Either number can be used to locate the tax bulletin on the department's website. The Department of Taxation is required under § 58.1-204 of the Code of Virginia to publish (i) orders of the Tax Commissioner under §§ 58.1-1822 and 58.1-1824 of the Code of Virginia, (ii) final orders entered by a circuit court under § 58.1-1826 or 58.1-1827 of the Code of Virginia and any written opinion or memorandum of the court; and (iii) any written ruling or other interpretation of Virginia law that the Tax Commissioner believes may be of interest to taxpayers and practitioners. These public documents interpret both law (Title 58.1 of the Code of Virginia) and regulations (Title 23 of the Virginia Administrative Code) as they apply to taxpayers. Since 1984, the department has published over 6,000 public documents and adds an additional 40 to 50 documents to this list each month. They may be found on the Department of Taxation's website at [http://www.policylibrary.tax.virginia.gov/OTP/Policy.nsf](http://www.policylibrary.tax.virginia.gov/OTP/Policy.nsf).

Most guidance documents are available electronically on the Town Hall by using the links below. Copies of the other documents may be obtained from the department's website at [http://www.tax.virginia.gov](http://www.tax.virginia.gov) or viewed during regular work days from 8:30 a.m. until 4:30 p.m. in the Office of Customer Relations, Department of Taxation, 1957 Westmoreland Street, Richmond, VA 23230. Questions regarding interpretation or implementation of these forms may be directed to Office of Customer Relations, Department of Taxation, P.O. Box 1115, Richmond, VA 23218-1115, or FAX (804) 786-2670. Telephone numbers for contact regarding the various forms listed below are noted by section and in some cases by the form.

DEPARTMENT OF ENVIRONMENTAL QUALITY
Total Maximum Daily Loads for the South Fork Holston River, Bishop Branch, Grosses Creek, and Slemp Creek

The Department of Environmental Quality (DEQ) seeks written and oral comments from interested persons on the development of total maximum daily loads (TMDLs) for the South Fork Holston River, Bishop Branch, Grosses Creek, and Slemp Creek in Washington and Smyth Counties. These streams are listed on the 2012 § 303(d) TMDL Priority List and Report as impaired due to violations of the state's water quality standards for bacteria.

Section 303(d) of the Clean Water Act and § 62.1-44.19:7 C of the State Water Control Law requires DEQ to develop TMDLs for pollutants responsible for each impaired water contained in Virginia's § 303(d) Priority List and Report.

The impaired segments include: 36.7 miles of the South Fork Holston River from the headwaters downstream to the backwaters of South Holston; 0.48 miles of Bishop Branch from the confluence with the South Fork Holston River upstream to the confluence with Parker Branch; 4.00 miles of Grosses Creek from the headwaters downstream to the confluence with the South Fork Holston River; 3.85 miles of Slemp Creek from the headwaters downstream to the confluence with the South Fork Holston River.

The first public meeting on the development of the TMDL to address the bacteria impairments for these segments will be held on March 3, 2015, from 6 p.m. to 8 p.m. at the Chilhowie Town Hall, 325 East Lee Highway, Chilhowie, VA 24319. In the event of inclement weather, the meeting will be held at the same location on March 9, 2015, from 6 p.m. to 8 p.m.

The public comment period will begin on March 3, 2015, and end on April 3, 2015. An advisory committee to assist in development of this TMDL will be established. Persons interested in assisting should notify the DEQ contact person listed below by the end of the comment period and provide their name, address, phone number, email address, and the organization they represent (if any). Notification of the composition of the panel will be sent to all applicants.

A component of a TMDL is the wasteload allocations (WLAs); therefore, this notice is provided pursuant to § 2.2-4006 A 14 of the Administrative Process Act for any future adoption of the TMDLs associated WLAs. Information on the development of the TMDLs for these impairments is available upon request. Questions or information requests should be addressed to Martha Chapman, Department of Environmental Quality, Southwest Regional Office, 355-A Deadmore Street, Abingdon, VA 24210, telephone (276) 676-4800, or email martha.chapman@deq.virginia.gov.

Note, all written comments should include name, address, and telephone number of the person submitting the comments and should be sent to Martha Chapman, Department of Environmental Quality, Southwest Regional Office, 355-A Deadmore Street, Abingdon, VA 24210, telephone (276) 676-4800, or email martha.chapman@deq.virginia.gov.

DEPARTMENT OF MEDICAL ASSISTANCE SERVICES

Amendments to Enhance FAMIS MOMS

Virginia's Title XXI Child Health Insurance Plan (CHIP) covers children with family income from 143% to 200% of the federal poverty level (FPL) under a separate child health plan known as the Family Access to Medical Insurance Security Plan (FAMIS). Virginia's Title XXI Health Insurance Flexibility and Accountability (HIFA) Demonstration has two objectives. First, it expands Title XXI coverage to uninsured pregnant women with family income up to 200% FPL (with a 5.0% income disregard) who are not eligible for Medicaid and FAMIS-eligible children who access to employer-sponsored or private health insurance - is expected to yield the following outcomes:

• A decrease in the rates of uninsurance among pregnant women,
• An increase in participation in premium assistance in CHIP,
• An increase in access to appropriate medical services, and
• An improvement in certain health outcomes of children.

Virginia’s current HIFA Demonstration is approved through June 30, 2016. The Department of Medical Assistance Services (DMAS) proposes to make the following changes to the Demonstration:

• Expand eligibility to include pregnant women who have access to the state employee health plan and who are otherwise eligible for the FAMIS MOMS program, and
• Add dental services to the benefits available to FAMIS MOMS program enrollees.

No changes are proposed for the FAMIS Select program.

Background - FAMIS MOMS

The purpose of the FAMIS MOMS program is to provide prenatal care to uninsured women living within the Title XXI income range and likely to give birth to a FAMIS-eligible child. The FAMIS MOMS program provides eligible pregnant women the same comprehensive coverage that pregnant women receive from the Virginia Medicaid program. There is no difference in covered services, service limitations, or pre-authorization requirements. The cost sharing requirements for FAMIS MOMS are consistent with those described in the Medicaid State Plan for pregnant women. There are no premiums, enrollment fees, or copayments for pregnancy-related services. However, consistent with Title XXI requirements, to be eligible for FAMIS MOMS a pregnant woman must be uninsured, not an inpatient in an institution for mental diseases, and under current policy, not a member of a family eligible for coverage under the state employee health insurance plan. Under the Demonstration, infants born to FAMIS children and FAMIS MOMS are deemed eligible for Medicaid or CHIP coverage, as appropriate, on the date of birth and remain eligible until age one year, unless, after a reasonable opportunity period, DMAS fails to obtain satisfactory documentation of citizenship and identity.

In 2012 health care coverage for pregnant women under FAMIS MOMS was extended to otherwise eligible lawfully residing immigrants, including those in their first five years of lawful residency in the United States, pursuant to § 214 of the Children's Health Insurance Program Reauthorization Act of 2009.
FAMIS MOMS uses the same health care service delivery systems (fee-for-service and managed care organizations) as FAMIS. All pregnant women are initially enrolled under fee-for-service. Approximately 90% of new enrollees are transferred to a managed care organization (MCO) within two months.

Proposal

In September 2014, Governor McAuliffe announced "A Healthy Virginia," his 10-point plan to improve access to health care services for residents of the Commonwealth. This plan includes initiatives to enhance access to health care coverage under FAMIS and FAMIS MOMS.

Access to coverage for dependents of state employees:

The Patient Protection and Affordable Care Act (2010) permits states to extend eligibility in the state’s CHIP program (FAMIS) to children of state employees who are otherwise eligible under the state child health plan. At the Governor’s direction, DMAS has taken necessary steps to implement this option. DMAS now proposes to extend this opportunity to pregnant women who may access coverage under the state employee health plan and are otherwise eligible for FAMIS MOMS, by amending the Demonstration project.

The FAMIS MOMS upper income limit is set at 200% FPL. For a parent with one child, an income of 200% FPL is $2,622 a month or $31,460 annually (gross income). The median state salary is $38,957 a year while the lowest state salary is $15,371. There are approximately 33,000 state employees with salaries between the lowest and median amounts. The average household size is two. Last year, more than 9,600 full-time state employees qualified for the Earned Income Tax Credit, a federal tax subsidy for lower-income working families.

State employees may cover their dependents through their employee health insurance, but for many families this is not an affordable option. Employees who choose this option face an increase in their insurance premium contributions of approximately $100 to $200 per month. Even with the most comprehensive coverage, employees must also pay co-pays of up to $40 for doctor visits. These out-of-pocket expenses represent a significant reduction in take home pay for many state workers. Some may be forced to opt for employee-only coverage, thereby leaving their dependent family members, including a wife who is or may become pregnant, with no health insurance; others may struggle to pay for rent or other necessities because of the additional cost for their health insurance. Low-income state workers who are pregnant face these same financial struggles and difficult choices about insurance coverage. Reduced access to covered medical services creates increased health risks for pregnant women and their unborn babies. Providing the option to enroll in FAMIS MOMS alleviates a potential barrier to accessing prenatal care and improves the likelihood of a positive birth outcome.

Dental care for pregnant women:

At the Governor’s direction, Virginia’s nationally recognized “Smiles For Children” program is expanding to provide dental benefits to pregnant women in Medicaid. DMAS now proposes to extend these benefits to pregnant women who are otherwise eligible for FAMIS MOMS by amending the Demonstration project.

Dental coverage for pregnant women enrolled in Medicaid or FAMIS MOMS will assist in improving the dental health of the mother, decrease dental emergencies, and improve the likelihood of delivery of a healthy baby by preventing the transmission of cavity-causing bacteria from mother to baby. DMAS is working with the dental benefits administrator, DentaQuest, to implement an oral health program for pregnant women enrolled in Medicaid and FAMIS MOMS. The services are inclusive of those provided in Virginia’s “Smiles For Children” program and similar in scope to dental services available through the Department of Human Resource Management dental benefits for state employees. Services for pregnant women will include the following:

- Diagnostic (x-rays, exams);
- Preventive (cleanings);
- Restorative (fillings);
- Endodontics (root canals);
- Periodontics (gum related treatment);
- Prosthodontics - both removable and fixed (crowns, bridges, partials, and dentures);
- Oral surgery (extractions and other oral surgeries); and
- Adjunctive general services (all covered services that do not fall into specific dental categories).

Pregnant women enrolled in Medicaid and FAMIS MOMS who are 21 years of age and older will be eligible to receive comprehensive benefits, excluding orthodontics, covered by the “Smiles For Children” program. These benefits will be discontinued at the end of the month following the 60th day postpartum.

Estimated Enrollment and Expenditures

Actions of the General Assembly in 2013 ended enrollment of new participants in FAMIS MOMS effective January 1, 2014. As a result, enrollment declined steadily over 2014 as women gave birth and their benefits ended. Overall in federal fiscal year (FFY) 2014, enrollment in FAMIS MOMS averaged 884 pregnant women monthly. The cost of health care benefits during this time period totaled $12,593,890. Administrative costs for both components of the Demonstration (FAMIS MOMS and FAMIS Select) totaled...
$294,705. The total cost of the Demonstration was $13,155,698 of which $8,551,204 was paid by the federal Title XXI fund and $4,604,494 paid by the state general fund.

Enrollment in FAMIS MOMS was reinstated on December 1, 2014. In the first two months, 247 women enrolled; fiscal forecasts are based on a monthly average of 776 during FFY 2015. Eligibility for FAMIS MOMS is highly dependent on family income. While data on the range and averages of state employee income are available, information on the total family income is not known. Therefore, DMAS does not have a reliable estimate of the number of pregnant women with options for coverage under the state health plan who may be eligible to enroll in FAMIS MOMS.

The projected expense for adding dental coverage for pregnant women in Medicaid and FAMIS MOMS to the DentaQuest contract has been calculated at $0.13 per member per month. Based on the average monthly enrollment of 776 pregnant women in FAMIS MOMS, this equates to a cost of $807 for the remainder of FFY 2015.

Hypothesis and Evaluation
DMAS expects that FAMIS MOMS will continue to be a viable option to obtain quality health care coverage for uninsured pregnant women with family income up to 200% of the federal poverty level who are not eligible for Medicaid. DMAS further expects that pregnant women participating in FAMIS MOMS will receive preventive and treatment dental services. DMAS will evaluate these hypotheses through analyses of enrollment and dental services utilization data.

Waiver and Expenditure Authority
Under the authority of § 1115(a)(2) of the Social Security Act, DMAS may extend health insurance coverage through the CHIP program for those uninsured pregnant women with incomes up to and including 200% of the federal poverty level, including lawfully residing pregnant women.

Under § 1115 (a) of the Social Security Act, infants born to FAMIS children or FAMIS MOMS are deemed eligible for Medicaid or CHIP coverage, as appropriate, on the date of birth, and remain eligible until attaining the age of one year, unless, after a reasonable opportunity period, DMAS fails to obtain satisfactory documentation of citizenship and identity.

The following Title XXI requirements are not applicable for the Virginia FAMIS MOMS and FAMIS Select § 1115 Demonstration:

1. General Requirements, Eligibility and Outreach, § 2102. The Commonwealth’s Child Health Insurance Plan (CHIP) does not have to reflect the demonstration populations, and eligibility standards do not have to be limited by the general principles in § 3202(b) of the Social Security Act. To the extent other requirements in § 2102 of the Act duplicate Medicaid or other CHIP requirements for these or other populations, they do not apply, except that the state must perform eligibility screening to ensure that the demonstration populations do not include individuals otherwise eligible for Medicaid.

2. Cost Sharing, § 2103(e). Rules governing cost sharing under § 2103(e) of the Act shall not apply to the FAMIS Select population to the extent necessary to enable the state to impose cost sharing in private or employer-sponsored insurance plans.

3. Cost-Sharing Exemption for American Indian (AI) Children, § 2102(b)(3)(D) and Alaskan Native (AN) Children, 42 CFR Section 457.535. To the extent necessary to permit the Commonwealth to impose cost sharing on AI/AN children who elect to enroll in the premium assistance program.

4. Benefit Package Requirements, § 2103. To permit the Commonwealth to offer a benefit package that does not meet the requirements of § 2103 at 42 CFR section 457.4 10(b)(1) for the demonstration populations.

5. Federal Matching Payment and Family Coverage Limits, § 2105. Federal matching payment in excess of the 10% cap for expenditures related to the demonstration population and limits on family coverage are not applicable to the demonstration population.

Public Review and Comment
Copies of the Demonstration amendment are available for public review from the Department of Medical Assistance Services, Division of Maternal and Child Health, 600 East Broad Street, Richmond, VA 23219 and on the Department of Medical Assistance Services website at http://dmas.virginia.gov/ through a link in the "What's New" column. DMAS is seeking comments on the proposed amendment to the Demonstration. Anyone wishing to submit comments may do so to Joanne Boise by mail at Department of Medical Assistance Services, Division of Maternal and Child Health, 600 East Broad Street, Richmond, VA 23219, or email to joanne.boise@dmas.virginia.gov. In order to be considered, comments must be received by March 31, 2015. DMAS will convene two public hearings to seek public input on the Demonstration amendment. Both oral and written comments may be submitted at that time.
