THE VIRGINIA REGISTER INFORMATION PAGE

THE VIRGINIA REGISTER OF REGULATIONS is an official state publication issued every other week throughout the year. Indexes are published quarterly, and are cumulative for the year. The *Virginia Register* has several functions. The new and amended sections of regulations, both as proposed and as finally adopted, are required by law to be published in the *Virginia Register*. In addition, the *Virginia Register* is a source of other information about state government, including petitions for rulemaking, emergency regulations, executive orders issued by the Governor, and notices of public hearings on regulations.

ADOPTION, AMENDMENT, AND REPEAL OF REGULATIONS

Unless exempted by law, an agency wishing to adopt, amend, or repeal regulations must follow the procedures in the Administrative Process Act (§ 2.2-4000 et seq. of the Code of Virginia). Typically, this includes first publishing in the *Virginia Register* a notice of intended regulatory action; a basis, purpose, substance and issues statement; an economic impact analysis prepared by the Department of Planning and Budget; the agency's response to the economic impact analysis; a summary; a notice giving the public an opportunity to comment on the proposal; and the text of the proposed regulation.

Following publication of the proposed regulation in the *Virginia Register*, the promulgating agency receives public comments for a minimum of 60 days. The Governor reviews the proposed regulation to determine if it is necessary to protect the public health, safety, and welfare, and if it is clearly written and easily understandable. If the Governor chooses to comment on the proposed regulation, his comments must be transmitted to the agency and the Registrar of Regulations no later than 15 days following the completion of the 60-day public comment period. The Governor's comments, if any, will be published in the *Virginia Register*. Not less than 15 days following the completion of the 60-day public comment period, the agency may adopt the proposed regulation.

The Joint Commission on Administrative Rules or the appropriate standing committee of each house of the General Assembly may meet during the promulgation or final adoption process and file an objection with the Registrar and the promulgating agency. The objection will be published in the *Virginia Register*. Within 21 days after receipt by the agency of a legislative objection, the agency shall file a response with the Registrar, the objecting legislative body, and the Governor.

When final action is taken, the agency again publishes the text of the regulation as adopted, highlighting all changes made to the proposed regulation and explaining any substantial changes made since publication of the proposal. A 30-day final adoption period begins upon final publication in the *Virginia Register*.

The Governor may review the final regulation during this time and, if he objects, forward his objection to the Registrar and the agency. In addition to or in lieu of filing a formal objection, the Governor may suspend the effective date of a portion or all of a regulation until the end of the next regular General Assembly session by issuing a directive signed by a majority of the members of the appropriate legislative body and the Governor. The Governor's objection or suspension of the regulation, or both, will be published in the *Virginia Register*.

If the Governor finds that the final regulation contains changes made after publication of the proposed regulation that have substantial impact, he may require the agency to provide an additional 30-day public comment period on the changes. Notice of the additional public comment period required by the Governor will be published in the *Virginia Register*. Pursuant to § 2.2-4007.06 of the Code of Virginia, any person may request that the agency solicit additional public comment on certain changes made after publication of the proposed regulation. The agency shall suspend the regulatory process for 30 days upon such request from 25 or more individuals, unless the agency determines that the changes have minor or inconsequential impact.

A regulation becomes effective at the conclusion of the 30-day final adoption period, or at any other later date specified by the promulgating agency, unless (i) a legislative objection has been filed, in which event the regulation, unless withdrawn, becomes effective on the date specified, which shall be after the expiration of the 21-day objection period; (ii) the Governor exercises his authority to require the agency to provide for additional public comment, in

which event the regulation, unless withdrawn, becomes effective on the date specified, which shall be after the expiration of the period for which the Governor has provided for additional public comment; (iii) the Governor and the General Assembly exercise their authority to suspend the effective date of a regulation until the end of the next regular legislative session; or (iv) the agency suspends the regulatory process, in which event the regulation, unless withdrawn, becomes effective on the date specified, which shall be after the expiration of the 30-day public comment period and no earlier than 15 days from publication of the readopted action.

A regulatory action may be withdrawn by the promulgating agency at any time before the regulation becomes final.

FAST-TRACK RULEMAKING PROCESS

Section 2.2-4012.1 of the Code of Virginia provides an alternative to the standard process set forth in the Administrative Process Act for regulations deemed by the Governor to be noncontroversial. To use this process, the Governor's concurrence is required and advance notice must be provided to certain legislative committees. Fast-track regulations become effective on the date noted in the regulatory action if fewer than 10 persons object to using the process in accordance with § 2.2-4012.1.

EMERGENCY REGULATIONS

Pursuant to § 2.2-4011 of the Code of Virginia, an agency may adopt emergency regulations if necessitated by an emergency situation or when Virginia statutory law or the appropriation act or federal law or federal regulation requires that a regulation be effective in 280 days or fewer from its enactment. In either situation, approval of the Governor is required. The emergency regulation is effective upon its filing with the Registrar of Regulations, unless a later date is specified per § 2.2-4012 of the Code of Virginia. Emergency regulations are limited to no more than 18 months in duration; however, may be extended for six months under the circumstances noted in § 2.2-4011 D. Emergency regulations are published as soon as possible in the *Virginia Register* and are on the Register of Regulations website at register.dls.virginia.gov.

During the time the emergency regulation is in effect, the agency may proceed with the adoption of permanent regulations in accordance with the Administrative Process Act. If the agency chooses not to adopt the regulations, the emergency status ends when the prescribed time limit expires.

The foregoing constitutes a generalized statement of the procedures to be followed. For specific statutory language, it is suggested that Article 2 (§ 2.2-4006 et seq.) of Chapter 40 of Title 2.2 of the Code of Virginia be examined carefully.

AT RICHMOND, MAY 12, 2022

COMMONWEALTH OF VIRGINIA, ex rel.

STATE CORPORATION COMMISSION

CASE NO. INS-2022-00023

Ex Parte: In the matter of Amending
Rules Governing Advertisement of
Life Insurance and Annuities

ORDER ADOPTING RULES

By Order to Take Notice ("Order") entered March 7, 2022, all carriers licensed in the Commonwealth of Virginia to write life insurance, annuities or variable annuities and all interested persons were ordered to take notice that subsequent to April 29, 2022, the State Corporation Commission ("Commission") would consider the entry of an order adopting amendments to rules in Chapter 41 of Title 14 of the Virginia Administrative Code, entitled "Rules Governing Advertisement of Life

Insurance and Annuities" ("Rules"), as set out at 14 VAC 5-41-80, unless on or before April 29, 2022, any person objecting to the adoption of the amendments to the Rules filed a request for hearing with the Clerk of the Commission ("Clerk").

The Order also required all interested persons to file their comments in support of or in opposition to the amendments to the Rules with the Clerk on or before April 29, 2022.

Following the Commission's entry of the Order, the Bureau of Insurance ("Bureau") received only one comment to the proposed amendment to the Rules.¹ The Bureau responded directly to the commenter by letter and has filed that response as part of the record. No one filed a request for a hearing with the Clerk.

The amendments to the Rules are necessary to address the Bureau's concerns with the use of the phrases "inexpensive," "low cost," and similar terms in advertisements for life insurance policies and annuity contracts on an industry-wide basis in Virginia, and to more closely align the Rules with guidance prepared by the National Association of Insurance Commissioners in its Advertisements of Life Insurance and Annuities Model Regulation, which addresses the use of these terms.

The Bureau has recommended to the Commission that the amendments to the Rules be adopted.

NOW THE COMMISSION, having considered the proposal to amend the Rules, the comment and the Bureau's response thereto, and the recommendation of the Bureau to adopt the amendments to the Rules, is of the opinion that the attached amendments to the Rules should be adopted, effective September 1, 2022.

Accordingly, IT IS ORDERED THAT:

(1) The amendments to the "Rules Governing Advertisement of Life Insurance and Annuities," as set out at 14 VAC 5-41-80 of the Virginia Administrative Code, which are attached hereto and made part hereof, are hereby ADOPTED effective September 1, 2022.

(2) The Bureau shall provide notice of the adopted amendments to the Rules to all carriers licensed in Virginia to write life insurance, annuities or variable annuities and to interested persons.

(3) The Commission's Office of General Counsel shall cause a copy of this Order and the amendments to the Rules to be forwarded to the Virginia Registrar of Regulations for appropriate publication in the Virginia Register of Regulations.

(4) The Commission's Division of Information Resources shall make available this Order and the attached amendments to the

Rules on the Commission's website: scc.virginia.gov/pages/Case-Information.

(5)The Bureau shall file with the Clerk of the Commission a certificate of compliance with the notice requirements of Ordering Paragraph (2) above.

(6)This case is dismissed.

A COPY hereof shall be sent electronically by the Clerk of the Commission to:

C. Meade Browder, Jr., Senior Assistant Attorney General, at mbrowder@oag.state.va.us, Office of the Attorney General, Division of Consumer Counsel, 202 N. 9th Street, 8th Floor, Richmond, Virginia 23219-3424; and a copy hereof shall be delivered to the Commission's Office of General Counsel and to the Bureau of Insurance in care of Deputy Commissioner Julie S. Blauvelt.

¹The Bureau forwarded this comment to the Clerk for entry in the case record.

If there is no charge to the insured, then the identity of the payor and the amount of the payment shall be prominently disclosed. An advertisement may specify the charge for a benefit or a service or may state that a charge is included in the premium or use other appropriate language.

B. An advertisement ~~of for a particular policy marketed by direct response techniques or a life insurance policy containing graded or modified benefits~~ shall not use the phrase "affordable," "inexpensive," "low cost," or any ~~similar term unless that fact is capable of being demonstrated to the satisfaction of the commission~~ phrase or word of similar import when the policy being advertised is guaranteed issue.

C. An advertisement shall not imply or state that all older policies are more or less costly than newer policies.

D. An advertisement of two or more policies sold as a "package" or other combination shall not direct attention improperly at the cost competitiveness of one part of the "package" when the cost competitiveness of that part is not indicative of the cost competitiveness of the "package" as a whole.

E. An advertisement of a single policy shall not direct attention improperly at the cost competitiveness of a part of the policy when the cost competitiveness of that part is not indicative of the cost competitiveness of the entire policy.

F. An advertisement of a policy at a particular issue age, sex, or amount shall not lead prospective policyholders to believe that the cost competitiveness of the policy is similar at other issue ages, sex, or amounts unless that is a fact.

G.
