"Beverage" means a drinkable liquid.

"Calorie" means the amount of heat required to change the temperature of one gram of water from 14.5 degrees Celsius to 15.5 degrees Celsius. Calorie is used synonymously with kilocalorie as a unit of measure for energy obtained from food and beverages.

"Child Nutrition Programs" means school meal programs funded and regulated by the U.S. Department of Agriculture (USDA) and includes the National School Lunch Program (NSLP), School Breakfast Program (SBP), Afterschool Snack Programs (ASP), Child and Adult Care Food Program (CACFP), Summer Food Service Program (SFSF), and Special Milk Program (SMP).

"Combination foods" means products that contain two or more components representing two or more of the recommended food groups: fruit, vegetable, dairy, protein, or grains.

"Competitive food" means any all food, excluding beverages, sold available for sale to students on the school grounds campus during regular school hours that is not part of the reimbursable meals served through the National School Lunch Program (NSLP), School Breakfast Program (SBP), or Afterschool Snack Program (ASP) day other than meals reimbursed under programs authorized by the Richard B. Russell National School Lunch Act (42 USC § 1751 et seq.) and the Child Nutrition Act of 1966 (42 USC § 1771 et seq.).

Competitive food includes all foods sold available for sale to students:

1. In school cafeterias as a la carte items not offered as a component of the planned reimbursable menu.
2. In vending machines located on school grounds during regular school hours the school campus during the school day.
3. As fundraisers held on school grounds during regular school hours the school campus during the school day.
4. In school snack bars on school grounds during regular school hours the school campus during the school day.
5. In school stores operated on school grounds during regular school hours the school campus during the school day by the school, a student association, or other school-sponsored organization.
6. At school activities such as special fundraisers, achievement rewards, classroom parties, school celebrations, classroom snacks, or school meetings held on school grounds during regular school hours the school campus during the school day.
7. In culinary education programs where food prepared as part of the educational curriculum is sold to students, however, this provision does not apply if food is sold to adults only.

This term does not apply to food a student brings from home for consumption at school or items available for sale to adults only in areas not accessible to students (e.g., teachers lounges).

"Dietary Guidelines for Americans" means guidelines jointly issued by the U.S. Department of Health and Human Services and U.S. Department of Agriculture and revised every five years and that provide authoritative advice based on current scientific evidence and medical knowledge for people two years of age and older about how good dietary habits can promote health and reduce risk for major chronic diseases.

"Food of minimal nutritional value" or "FMNV" means foods and beverages that are restricted by the U.S. Department of Agriculture (7 CFR 210.11(a)(2) and subsection (a) of Appendix D to 7 CFR Part 210 Definition) unless specifically exempted by USDA. The federal FMNV
